

👉 Facebook Ads: Questions & Brief Answers

👉 Setup & Integration

1. How can I connect multiple Facebook ad accounts to one Business Manager?

Go to Business Settings > Accounts > Ad Accounts > Add. Use "Request Access" or "Add a New Account."

2. What steps are involved in setting up a new Facebook Ad account?

Create through Business Manager > Add Ad Account > Create New. Enter currency, name, and payment info.

3. How can I link my Instagram account to my Facebook ad campaigns?

Go to Business Settings > Accounts > Instagram Accounts > Connect your Instagram.

4. What are the best practices for setting up Facebook Pixel correctly?

Use Events Manager to create a Pixel, install it using base code + event tracking, and test with Pixel Helper.

5. How do I verify a new domain for Facebook ad tracking?

Go to Business Settings > Brand Safety > Domains > Add Domain and verify via DNS, HTML, or Meta tag.

👉 Targeting & Audience

1. What are the most effective audience targeting options on Facebook?

Custom Audiences, Lookalikes, Detailed Targeting (demographics, interests, behaviors).

2. How can I use Lookalike Audiences to scale my Facebook campaigns?

Upload a Custom Audience > Create Lookalike > Choose % similarity and location.

3. How to segment Facebook ad audiences for better conversion?

Use layered targeting and exclusions; segment by funnel stage.

4. How can I target high-intent users using Facebook Ads?

Retarget engaged users, page visitors, and those who initiated checkout.

5. What's the difference between custom audiences and saved audiences?

Custom = based on user actions/data; Saved = manual targeting criteria saved for reuse.

Optimization & Strategy

- 1. How often should I optimize my Facebook ad campaigns?**
Every 3-5 days for small tests; larger campaigns can go longer.
- 2. What are common Facebook ad optimization mistakes?**
Too many changes, overlapping audiences, lack of creative variation.
- 3. How can I lower my cost per result (CPR) on Facebook?**
Improve creative, refine targeting, test bid strategies, use CBO.
- 4. Should I use Campaign Budget Optimization (CBO) or Ad Set Budget Optimization?**
CBO is best for scaling and efficiency; Ad Set for granular testing.
- 5. How do I split test Facebook ads effectively?**
Use A/B test tool in Ads Manager; test one variable at a time.

Performance & Analytics

- 1. How can I interpret Facebook Ads Manager reports correctly?**
Customize columns to view key metrics: CTR, CPC, ROAS, Impressions.
- 2. What are the most important KPIs for Facebook ad performance?**
CTR, Conversion Rate, Cost per Action, ROAS, Frequency.
- 3. How do I track ROAS (Return on Ad Spend) on Facebook?**
Use Pixel data and purchase events; enable value tracking.
- 4. What's the best way to use A/B testing for Facebook creatives?**
Test different images, copy, and formats across identical audiences.
- 5. How do I know when to kill underperforming ad sets?**
After sufficient data (1000+ impressions), assess CTR and conversions.

Troubleshooting & Challenges

- 1. Why is my Facebook ad getting zero impressions?**
Check budget, bid, audience size, or disapproval issues.
- 2. What should I do if my Facebook ad is not spending budget?**
Widen audience, increase bid or budget, check for audience overlap.
- 3. Why are my Facebook ads being disapproved?**
Violations in policy: content, wording, landing page issues.

4. What are the solutions for Facebook ads stuck in review?

Wait 24 hrs, then contact support. Avoid editing too frequently.

5. How do I troubleshoot low CTR in Facebook ads?

Improve creative hooks, targeting precision, or ad placements.

Creative & Content

1. How do I write a high-converting Facebook ad copy?

Use a hook, value prop, CTA; keep it short and audience-focused.

2. What makes a great Facebook ad image or video?

Clear visuals, no excessive text, emotional appeal, strong branding.

3. How do I test different creatives in one ad campaign?

Use dynamic creatives or set up different ad versions in one ad set.

4. What type of creatives perform best for lead generation ads?

Videos with strong intros, carousel for features, testimonials.

5. How do carousel ads compare to single-image ads in performance?

Carousel allows storytelling and feature breakdowns; test both.

Scaling & Growth

1. When is the right time to scale a Facebook ad campaign?

After hitting performance benchmarks with consistent results.

2. How do I scale ad sets without increasing CPA?

Duplicate winning ad sets, increase budget slowly, or use CBO.

3. What are some advanced scaling techniques for Facebook ads?

Vertical scaling (budget increase), horizontal scaling (new audiences).

4. How can I scale horizontally using multiple audiences?

Use lookalikes, interest stacks, and exclude past audience overlap.

5. How do I maintain ad performance during scaling?

Control frequency, monitor relevance score, refresh creatives.

Advanced Strategies

1. How can I use retargeting to improve conversion rates?

Retarget visitors, cart abandoners, and engaged users using custom audiences.

2. How do I set up full-funnel Facebook ad campaigns?

Awareness > Consideration > Conversion structure with tailored creatives.

3. How do I use data from previous campaigns to improve new ones?

Analyze top creatives, audiences, placements, and refine based on that.

4. How can I combine Facebook ads with email marketing?

Retarget email lists; sync CRM data for audience targeting.

5. What are some creative ways to run seasonal or event-based ads?

Use time-sensitive offers, themed creatives, countdowns.

Business Use Cases & Goals

1. How do I set campaign objectives that match business goals?

Choose awareness, traffic, leads, or conversions based on funnel stage.

2. What's the best campaign structure for eCommerce brands?

TOF: Video views > MOF: Product interest > BOF: Retarget with offer.

3. How should service-based businesses run Facebook ads?

Use lead forms, value-driven video content, retargeting, testimonials.

4. What metrics matter most for local businesses advertising on Facebook?

Reach, directions clicks, call button clicks, CTR, CPL.

5. How can I use Facebook ads to increase app installs?

Use the App Installs objective, deep linking, and engaging videos.

👉 Tools & Automation

1. What tools help automate Facebook ad management?

Revealbot, Madgicx, AdEspresso, Facebook Automated Rules.

2. How can I use rules in Facebook Ads Manager to automate optimizations?

Set rules for cost limits, impressions, or frequency triggers.

3. What integrations are available for Facebook ads and CRMs?

Zapier, LeadsBridge, HubSpot native integrations.

4. How can third-party analytics tools enhance Facebook ad insights?

Provide attribution models, deeper user journey analysis.

5. How do I use UTM parameters effectively in Facebook ads?

Append links with UTMs to track traffic sources in Google Analytics.

TikTok Ads: Questions & Brief Answers

Setup & Integration

- 1. How do I set up a new ad account on TikTok Ads Manager?**
Register at ads.tiktok.com, fill business info, set payment method.
- 2. How can I install TikTok Pixel on my website or landing page?**
Create Pixel in Events Manager, install via manual code or GTM.
- 3. How do I link my TikTok Business Center with third-party tools?**
Use TikTok API or partner platforms like Shopify, Zapier.
- 4. What's the process for verifying a business account on TikTok Ads?**
Upload business license and ID through Business Center settings.
- 5. How can I integrate TikTok ads with Google Tag Manager?**
Use Pixel base + event code snippets within GTM container.

Targeting & Audience

- 1. What targeting options are available in TikTok Ads Manager?**
Demographics, interests, behaviors, device, location.
- 2. How do I create and use Custom Audiences in TikTok ads?**
Upload CRM data, website traffic, app activity, engagement.
- 3. Can I use Lookalike Audiences on TikTok like Facebook?**
Yes, based on Custom Audiences with adjustable similarity levels.
- 4. How can I retarget users who engaged with my TikTok videos?**
Create engagement-based custom audiences.
- 5. What are the best practices for audience segmentation on TikTok?**
Segment by funnel stage, interests, age groups, or device usage.

Optimization & Strategy

- 1. What bid strategy works best for TikTok ad campaigns?**
Start with Lowest Cost; switch to Cost Cap once data stabilizes.
- 2. How can I optimize my TikTok ads for lower cost per result?**
Improve hook in first 3 seconds, test formats, refine targeting.
- 3. What are effective ways to A/B test ad creatives on TikTok?**
Use TikTok Creative Testing tool or duplicate campaigns with 1 variable.

4. Should I choose Conversion or Reach objective on TikTok Ads?

Use Reach for awareness; Conversion for performance goals.

5. How can I improve my ad delivery performance on TikTok?

Enable Advanced Matching, broaden audience, refresh creatives.

Performance & Analytics

1. How can I track the performance of my TikTok ad campaigns?

Use TikTok Ads Manager or third-party analytics tools.

2. What are the key metrics to measure success in TikTok Ads?

CPM, CTR, Conversion Rate, ROAS, Video Completion Rate.

3. How do I analyze ROI or ROAS from TikTok ads?

Track purchases/events via Pixel and compare spend vs revenue.

4. How do I detect ad fatigue in TikTok campaigns?

Watch for drop in CTR and conversions; monitor frequency.

5. What does a good CTR look like for TikTok Ads?

Varies by industry, but 1%-2% is generally acceptable.

Creative & Content

1. What type of creatives perform best on TikTok ads?

Native-style videos, user-generated content, trends-based formats.

2. How can I make my TikTok ads look more native and less promotional?

Use storytelling, informal tone, TikTok audio, and mobile filming.

3. How do Spark Ads differ from In-Feed Ads on TikTok?

Spark = boosted organic content; In-Feed = ad-only creative.

4. What are the recommended video specs for TikTok ads?

MP4/MOV, vertical 9:16, 720p+, under 60 seconds.

5. How can I use TikTok trends to boost ad engagement?

Incorporate trending music, challenges, and hashtags in content.

This document serves as a quick reference help center for users managing Facebook and TikTok ad campaigns.
